CIRCULAR FOR PARENTS

Ref No- Cir/RBS/2018-19/No.28

Date- 07/08/2018

To: Parents (Class 1 to Class 6)

From: The Principal

Subject: Consent for your ward's participation in the remedial program

Dear Parent/Guardian,

In order to provide children with an opportunity to be successful in academics, the school is initiating an after school remediation program that will begin from 14th August. .

This program is an opportunity for those students who require more focused inputs/practice to develop their Mathematics and English skills. The program shall not focus on homework/classwork completion; but on re-teaching basic concepts and practicing critical skills facilitated by subject teachers. The program will be implemented for primary student between **1:30 to 3:00 pm on Tuesdays** where in they will need to stay back at the school (Departure Bus Time- 3:10 pm). A child may be required to undergo remediation either in English or Maths or both the subjects.

Your child has been nominated to participate in the remedial program for English/Mathematics.

| Remedial schedule – Class 1 to Class 6 | | |
|--|---------------------|------------|
| Duration | Agenda | Time |
| 1:25 pm-1:40 pm | Small Break | 15 minutes |
| 1:40 pm -2:20 pm | Session 1 (English) | 40 minutes |
| 2:20 pm -3:00 pm | Session 2 (Maths) | 40 minutes |

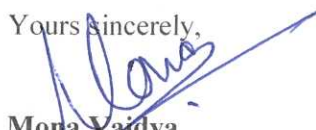

*Please note: If your child is attending remedial class for only one subject, then in the other subject slot, extra worksheets will be given for practice or the child can do an activity of his/her choice or take some rest in the supervision of the teacher.

Support required from parents –

- Parents are requested to send an extra box of snacks(healthy- no junk food) for their child.
- Children need to carry one extra 80-100 pages notebook for each of the two subjects- English and Maths- for the remedial program. The notebook design should be same as the book used for classwork.
- Parents are required to ensure that their children complete the homework which may also be given as a part of the remedial program.
- As the school is making an attempt to provide additional support to your child at his/her skill level and to avoid any confusions in learning patterns, we recommend that your child does not go for tuition classes.

The progress of your child will also be reviewed on a regular basis and in case there are any changes we would keep you updated. Thank you for your support!

Yours sincerely,

Mona Vaidya
