SATELLITE, AHMEDABAD
CIRCULAR FOR PARENTS

Ref No: Cir/RBS-KG/2019-20/No. 04

Date: 17/07/2019

To: All Parents

From: The Principal

Subject: Preventive measures

Dear Parents,

Due to the onset of Monsoon, it is likely that vector -borne diseases like malaria and dengue may spread. Taking preventive measures at home and school is imperative. We would like to share with you the preventive measures taken in school to control the breeding of mosquitoes.

- Fumigation by AMC is done at regular intervals
- Neem fumigation done daily in the evening
- Each classroom is equipped with mosquito repellents.
- Parents are requested to dress child in **Full sleeve T - Shirt along with full length pants**
- Parents can also use the other preventive measures to protect children from mosquito bites.
- The van vendors have also been advised to take some necessary precautions.
- Extra vigilance on the cleanliness of the campus to prevent mosquito breeding.

We recommend parents not to send an unwell child to school and seek immediate medical advice

With Warm Regards,

S. Chakraborty

Mrs. Sharmistha Chakraborty
