Continued

Highlighted activities of the Month

Celebrations

Janmastami: Children along with teachers rejoiced the birth of Lord Krishna by singing songs, matki phod and performing simple garba moves.

Parents cooking day: Children interacted with the parents while they prepared delicacy and also observed the presentation of food.

Activity of the month

Making a mobile phone: Children were provided with boxes and different kinds of indigenous materials to make a mobile phone. They pasted marble paper on the cardboard box and added on more details by writing numbers and decorated with gola sticks, glitter etc.

Field trips

Radio Station: For a deeper understanding of how mass media is a way to communicate, the children were taken to "My FM radio station" where they interacted with the radio jockey and also had a chance to use the mike to record their own voices. The children got to know how radio works as a medium of entertainment, communication and also helps in spreading awareness about current events.

Anecdotes

Viaan - "Security uncle walkie talkie vapre"

Jovitha - "Me jab ghar se school aa rahi thi tab car me radio suna"

Ridhaan Patil - "Hum humare relatives ko letter likhte hain"

Sumira- "Mere papa mujhe laptop mein se stories sunnate hai"

Parnika - "My dada was small not have phone. He write letter"

Hara - "Jo humare mind me hai agar kisi ko bataenge to vo communication hota hai"

Jenna - "My papa has gone to Mumbai , so i can send him mail".

Fun and learn at home

- Children can be encouraged to say words starting from any letter and can add on new words to their vocabulary
- The children can also be taken to a post office for further understanding of our postal system where they can also buy a postcard, envelope and stamps and interact with the postman there.
