**Subject: Application for Class-1**

Dear Parents,

We are happy to announce the opening of 2021-22 admissions in **Class 1 Satellite and Santej**, for our current batch of Sr Kg Students.

Parents who are interested in enrolling their child in Class 1 Satellite/Santej Campus are requested to take note of the following important dates and steps to be followed for the same.

1. **06<sup>th</sup> February 2021 to 09<sup>th</sup> February 2021: Parents need to submit attached form on the [counselor.satellite@redbrickseducation.org](mailto:counselor.satellite@redbrickseducation.org), expressing the desire to continue your child's Admission in Class 1. All forms should mention the campus of preference (Satellite/Santej).**
2. **15<sup>th</sup> February 2021: The school will announce the final list of students allotted seats to Class 1, Satellite Campus/ Class 1, Santej Campus.** This list is finalized after the admissions committee reviews applications received. *Criteria for considering applications to Redbricks Satellite Campus include – distance of child's home from the school, family conditions, financial conditions, health conditions (if any). The committee will also take into account intent to continue school in Santej from Class 2 onwards.*

*As we will be opening up new admission requests also in February, we urge parents to ensure their application with choice of campus is made to us by 9<sup>th</sup> February. This will help us to prioritize allocation of seats for current students at the parents' campus of preference.*

*In case you wish to have a discussion in connection with the above, our counselors would be happy to arrange a meeting with the pre-school/primary school principal.*

With Warm Regards,

Mrs. Sharmistha Chakraborty
