To: Parents (Class-1 Satellite)
From: The Principal
Subject: Overall Health Check-Up

Date – 06/02/18

Dear Parents,

It's time to take charge of our children's health! Redbricks believes that staying healthy is vital for proper growth and development of our children's mind and body. They require enough energy to spend the entire day in school. Along with proper nutrition, a regular medical health check-up is also crucial to ensure the well-being of the children, and to avoid health problems.

Keeping this in mind, we are having the Medical Camp on 07th & 8th February, 2018. A team of doctors will be coming to the Satellite campus for the Overall Health Check-up of all the children, which will cover the following areas.

- Dental
- Pediatrician
- Ophthalmologist (Eye- Checkup)

A Medical Health Check-up card will be provided to all the children post their check-up.

With Warm Regards,

Mrs. Sutapa Mishra
The Principal
Redbricks School (Class 1 to Class 6)
