Subject: Parent Teacher Meeting, Project Culmination and Workshop on Building Circles of Safety

Dear Parents,

We cordially invite you to attend the **Parents teachers meeting** and **Project Culmination** and a **workshop on Building Circles of Safety** on **11th February 2017, Saturday** at **Santej Campus** .

As parents, we continue to teach children how to be safe in the world we live in. However, we often fail to educate them on setting healthy boundaries. Almost every other child in India is sexually abused, very often by someone they trust. Knowledge might be the one difference that might save our children from being a victim. *Building Circles of Safety*, is a program that empowers parents to take simple proactive steps to reduce the risk, intervene and respond to boundary violations. We request at least one parent to attend the workshop.

The workshop would be conducted by **Mrs.Anuja Amin**

'Mrs. Anuja Amin is a Post-Graduate in Human Resource Management from the London School of Economics. Her mission of reaching out to children, especially with a traumatic childhood, led her to pursue a Bachelors of Science in Psychology from the University of Nottingham. In 2006, she used art as a medium of self expression and healing while she worked with children suffering from Cancer in Mumbai. Her present focus is on promoting a safe and supportive environment for children by training the community, including students, teachers, parents and organizations, and empowering them to be guardians, ensuring generations of happy children.'

The Workshop has limited capacity, and hence attendance will be only by written registration & on first come first serve basis. Once registered, it is compulsory to attend. Kindly take your seats by 9:50 am so that the workshop can start on time.

Timing for the workshop : 10.00 am to 11.30 am

Timing for the Project Culmination and Parent Teacher Meeting:-
