Subject: Circular regarding returning the 2nd and 3rd Post dated fee cheques

Dear Parents,

In continuation to our previous fee circular dated 05.04.2017, we have received certain clarification from the Government. Accordingly, parents need to deposit only the first installment of the fees for the academic year 2017-2018 for now. Hence, we request you to deposit the first installment fees as per your applicable slab for the academic year 2017-2018 latest by **15th April 2017**.

Parents who have already deposited the post dated cheques for the installments of September and January are requested to kindly collect the same between **17th April to 20th April 2017** from the **Satellite campus**. Please note that PDC cheques will be handed over to the parents only after submission of original fee receipt pertaining to those installments, back to the school counselor.

Please note that the last date to pay the fees for academic year was **8th April 2017**. Parents who have not paid the fees are requested to pay it by **15th April 2017**, in absence of which a seat may not be reserved for your ward for the upcoming year.

As the government process for fee approval moves forward we will keep you updated with required information for necessary action from your side.

By confirming admission now, it is considered that parents will accept the fee declared by school management ,after obtaining necessary approvals from the fee regulation committee proposed by the government.

For any clarifications, kindly contact the School Counselor at 9099900080 / 9979500003.
