

Date: 25.03.2020

Ref. No.: Cir/RBS/2019-20/No.108
From: Psychological Counselor
To: All Parents (Class 1 to Class 10)
Subject: Information for telephonic counseling

Dear Parents and Guardians,

As a school, the social-emotional development and the health of the students have always been our priority, along with academics. In light of this view, we would like to inform you that telephonic counseling services would be provided if any student wishes to avail the same.

The sessions conducted would be on one-to-one basis. Confidentiality of the sessions would be maintained and information shared during these sessions would remain between the student and the counselor unless there is any evidence that your child seems to be in a stage of harming himself/herself or someone else. Selected information will be shared with the school leadership.

Counseling services will be provided only during official school hours, that is, from 8:00 am to 3:00 pm. Sessions will be conducted with prior appointment.

You can reach out to our school psychological counselors on below mentioned numbers:

- 1) Heta Dwivedi - 8128544158
- 2) Aakanksha Varghese - 9986071608

Thank you and stay safe.

Regards,
Ms. Heta Dwivedi
