**CIRCULAR FOR PARENTS**

**Ref No-** Cir/RBS/2019-20/No.56

**Date-** 22.10.2019

**To:** Parents (Class 1 Satellite)

**From:** Head- Academics

**Subject:** Consent for your ward's participation in the remedial program

Dear Parent/Guardian,

In order to provide children with an opportunity to be successful in academics, the school conducts an after school remediation program that will begin from **14<sup>th</sup> November, 2019**.

This program is an opportunity for those students who require more focused inputs/practice to develop their basic skills in a particular subject. The program shall not focus on homework/classwork completion; but on re-teaching basic concepts and practicing critical skills facilitated by subject teachers.

The program will be implemented for selected Class 1 Satellite students between **2:10 pm to 2:50 pm** wherein they will need to stay back at the school on **Mondays (for Maths) and Thursdays (for English) and the parents are requested to pick up their child.**

As a policy, the school offers remediation program only for English and Maths subjects. The reason being that competency in these two subjects drives academic performance across all other areas.

After careful consideration, a team of subject teachers, mentors and academic leaders prepares a list of children who will benefit from the remedial program in that particular year. The list identifies children who need continuous remedial through the year and also children who may need a short-term support. In case of short-term support, remediation may be for 8-10 sessions and extended after a review of progress at the end of the decided time period.

A child may be required to undergo remediation either in English or Maths, or both the subjects.

This year, your child has been nominated to participate in the remedial program for the following subjects:

Maths     English

Support required from parents –

- Parents are requested to send an extra box of snacks (healthy- no junk food) for their child.
- Children need to carry one extra 80-100 pages notebook for each of the remedial subjects. The notebook design should be same as the book used for classwork.
- Parents are required to ensure that their children complete the homework which may also be given as a part of the remedial program.
- As the school is making an attempt to provide additional support to your child at his/her skill level and to avoid any confusions in learning patterns, we recommend that your child does not go for tuition classes.

The progress of your child will also be reviewed on a regular basis and in case there are any changes we would keep you updated. Thank you for your support!

Yours sincerely,

**Dr. Ankita Sharma**  
**(Head - Academics**  
**Primary - Class 1 to Class 6)**

**Heta Dwivedi**  
**(School Psychologist)**

---

**CONFIRMATION SLIP**

**Subject: Consent for your ward's participation in the Remedial Program**

**Name of the Student:** \_\_\_\_\_ **Class and Section:** \_\_\_\_\_

I have read and understood everything that has been stated in the circular and I also understand that it is my responsibility to extend support as guided by the facilitators, and would ensure regular attendance of my child for the remedial program.

I hereby give consent for my child to participate in the Remedial program.

**Signature of the Parent/Guardian:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Note: Please have your child return this sheet to his/her homeroom teacher by 8<sup>th</sup> of November, 2019.**
