

Ref No-Cir/RBS/2019-20/No.97

Date: 25.02.2020

To: Parents (Class 6)**From:** The Principal**Subject: Intent on the Board Selection****Dear Parents,**

We would like to thank the parents who attended the orientation on the International Cambridge Board (CAIE) held at AMA on 12th February, 2020. We hope that the orientation helped you get a better understanding on the broader aspects of the CAIE curriculum and the methodology of teaching learning.

Since the orientation would have developed more clarity about the board, we would like all the parents of Class 6 to now refresh their thought process in taking the decision on the choice of Board for their child. The key considerations for the selection of the board would be your child's learning style, aptitude and skills and more importantly the future study prospects.

We want you to note that submitting this intent is not a confirmation on the choice of board. It is a tentative choice enabling both the parents and school to plan further. The intent forms would help us to gauge the projected class strength, and hence plan for the program accordingly. It would also help us to assess the fitment between students and board selection, and enable us to have dialogues with students and parents for an effective selection.

Parents can choose to meet the principal and the school's CAIE coordinator if they wish to understand more about the program's fit for their child before submitting the intent form. We have also removed the 'not sure' option, as by now we would like parents to make a tentative choice from the two options.

We will shortly share all the key details of the CAIE program after which parents can submit their final confirmations.

We request all the parents to fill the intent form indicating the choice of board from a fresh perspective. You are requested to re-send the confirmation even if the intent form was sent earlier.

We would appreciate your response on the given intent form latest by 28th February, 2020 to help the school take the next steps for planning and implementing the CAIE program from June 2020.

Thank you for your cooperation.

With Warm Regards,**Mrs. Sutapa Mishra****The Principal****Redbricks School**

CISCE / CAIE Board Intent Confirmation Slip (2nd Submission)

Kindly submit the confirmation slip by 28th February, 2020 (Friday).

Student Name: _____ **Class & Section:** _____

Choose any one board as an intent (remember intent is not a confirmation for selection):

- Council for Indian School Certificate Examinations (CISCE)*
 Cambridge Assessment International Education (CAIE)

Parent's Signature: _____ **Date:** _____
