To: Parents (Class 8)**From:** The Principal**Subject:** Revision Week and Non-Graded Quiz

Dear Parents,

With the culmination of the first semester we would like to sincerely thank you for the support and cooperation to make this as a significant learning journey.

Taking into account the feedback received from you, the students and teachers we have looked at some of the important academic processes to make them more objective and purposeful.

For assessment in semester two we would like to have a more balanced approach between summative and formative assessments. Keeping this in mind a revision week has been planned in the second week of December wherein students will get an opportunity to revise and strengthen their understanding through a **non-graded Quiz which will be conducted** for the core subjects. This quiz will enable teachers to provide specific qualitative feedback to students on their learning.
