

CIRCULAR FOR PARENTS

Ref No- Cir/RBS/2021-22/No.1

Date- 10.03.2021

To: Parents (Class 9 graduating to Class 10)

From: The Principal

Subject: Updates on New Academic Session 2021-22

Dear Parents,

With the conclusion of the academic year 2020-21, it is the time to start the new academic session with a lot of enthusiasm and fervor.

There are certain things we would like to share with you for the new beginning of the academic session specifically for the months of March and April 2021.

- 1) The new session for class 10 will be commencing from 15th March 2021 provisionally.
- 2) During these two months the school will function on a blended model of learning i.e. a few days online sessions and few days of physical schooling.
- 3) Every Monday, Wednesday and Friday will be used for online sessions.
- 4) Every Tuesday and Thursday the school will function physically, expecting teachers and students to operate from the campus.
- 5) Practical sessions for the science subjects will be conducted on the working Saturdays at the Redbricks School campus.
- 6) Office Hours will function as usual and specifically the office hours of subjects falling on **Tuesday and Thursday** will also continue to function as per the RL time table.
- 7) All the office hours will be in online mode only. Students should log in 5 mins before the session start times. Office hours are for students to clarify any doubts, and these are optional except for SUPW Community Service Projects for Class 10 since there is no regular session for SUPW Community Service.
- 8) All other guidelines related to COVID-19 will remain the same as shared in the earlier circular and strictly need to be followed during the physical school.
- 9) Other details related to transport will be shared separately.

Looking forward to a wonderful beginning and wishing you all an eventful academic year.

Best regards,

Sutapa Mishra

Principal

Redbricks School

Please find below the weekly time table to be followed from 15th March 2021 to 24th April 2021.
