Subject: Regular Student Timetable During Remote Learning

Dear Parents,
Greetings!

We really hope that the transition period was engaging for our students. As we come towards the end of the transition period, we are pleased to share the details of the regular student timetable applicable from **21st June, 2021**.

Based on parent feedback received last year, we have tried our best to minimize the gap between two consecutive sessions for students. However, the gap between sessions was unavoidable at a few places, owing to shared teaching faculties across classes and sections. As we have shared before, timetabling is a complex exercise and we have tried our best to adjust many variables and achieve a balanced timetable for our students. We would request parents to encourage students to utilize the gap between consecutive sessions for the completion of their async (offline) tasks and activities.

The details of the school timings during Remote Learning are as mentioned below:

Class 1 to Class 6 (Mon-Fri)

- 8:00 am to 8:30 am - Homeroom Time (Mon, Wed)/ Assembly Time (Fri)
- 8:45 am to 12:45 pm - Sync Video Session timings with breaks in between
- 1:30 pm - 2:40 pm - Office hours with a break of 10 minutes in between (optional to attend, unless intimated by the teacher to attend)

Class 7 and Class 8 (Mon-Fri)

- 7:55 am to 8:25 am - Homeroom Time (Mon, Wed)/ Assembly Time (Fri)

Class 1 to Class 8 (1st, 3rd and 5th Saturdays)

Please find enclosed the **Timetable** along with the class joining details (subject wise) for your child. In case you face any challenge in joining the class with the link/id provided or in understanding the timetable, feel free to reach out to the front desk counselor.
