ANNEXURE 2 GUIDELINES FOR ONLINE EXAMINATION

1. Students are expected to join their respective subject classes via Google meet by the shared time in the above table.
2. Students are expected to be ready with all the requisites-stationery and water bottle and should have used the washroom before the examination time.
3. The camera should be placed in such a manner that the upper half of the body is clearly visible throughout the examination time.
4. The Microphone should be on mute mode but whenever required, it can be unmuted.
5. Please make sure that no phones are around the child during the exams, they can access it only during the time of uploading the answer sheet with invigilator's permission.
6. In case of any technical challenge, the parents are requested to reach out to the front desk counselor on the following numbers immediately: a) +91 9099900080 b) +91 9979500003.
7. If a student joins late but within 5 mins of writing time, he/she will not be given any extra time. The writing of the answer paper needs to be completed within the allotted time only.
8. Students will not be allowed to enter the room after 5 min of the writing time. The parents need to reach out to the front desk counselor immediately in such a case. In case there is no communication from parents till 30 mins, he/she will be marked absent.
9. The video should be kept on during the entire exam. Parents are requested to check the readiness for the online exam. During the online exam, videos turned / kept off due to technological issues won't be accepted. If a student seems to have problems with internet connectivity/technology in order to give online exams, then the parent can submit a special advance request to the school to allow for the physical mode of examination (in school premise) for their child.
10. Students will be given 15 mins time to convert the answer script into pdf and submit it at the end. After this time, a submission won't be accepted by the subject teachers.
11. While submitting the answer scripts, ensure that the correct and complete answer script is submitted. If incorrect/incomplete answer scripts are submitted, the school will not accept another answer sheet later.

12. Students are expected to show academic honesty and not indulge in cheating or copying. Where there is a doubt about academic dishonesty during or after the exam, the school will conduct a compulsory shorter re-test in the physical mode (for Class 6) / virtual mode (for Class 5) for those selected students. This process is important to ensure fairness in evaluation for all students, and to also accurately gauge student readiness for the next grade.

CHECK POINTS FOR PARENTS

Please ensure that-

1. The room where the student is writing the exam should be noise free and with no academic material (books/notebooks/dictionary/calculator) placed on the writing table.
2. The necessary resources to write the exam are checked prior for proper functioning.
3. Student is not indulging in any kind of academic cheating.
4. Student is keeping the device camera on and at a position from where he/she is clearly visible.
5. Student does not have more than one device near her/him.
6. Student submits the paper on time and submits the correct and complete document.
Delayed submissions or incorrect/incomplete documents will not be accepted.
