Dear Parents,

As we progress through another academic year in remote learning, we would like to thank you for your support, which has helped us to keep the zeal of teaching-learning on.

As a part of the assessment cycle, the school will be conducting the first- end semester exam for class 7-10 beginning from Thursday, September 23, 2021. Considering the current scenario and the remote learning we have tried to restructure the assessment pattern to accommodate the remote learning model.

Our sincere request to the parents to support the school by ensuring proper vigilance and counseling to all our students to refrain from any kind of academic dishonesty while taking the examination.

The assessment pattern will be as given below: Kindly go through the important guidelines regarding the conduct of the examinations.

- 1) The exams will be conducted online in **two parts** (except for Art)
Part A - Objective Paper(using Google Form)
Part B - Subjective Paper (the question paper in pdf form will be uploaded on the subject GC and a handwritten answer script to be submitted as a PDF)
- 2) The exam will start every day sharp at 8:35 am. There will be a break of 15 min between Part A & Part B of the exam.
