Subject: Updates regarding an opportunity to attend Physical School

Dear Parents,

We are happy to announce that we are planning to have an optional offline school (Physical mode) for a day before Diwali break. The focus of this day will be to encourage interpersonal interactions in person, as well as for students to enjoy some co-curricular and extra-curricular activities in a physical mode.

Please find below the details of the physical school day:

Date: 09.10.2021 (Saturday)

Timings: 07:55 am to 11:30 am

Students will continue to have their virtual classes for the rest of the days.

Please note some important points:

- **Attire:** Students can wear comfortable sports attire, for example- track pants and a T-shirt with shoes. All students will need to wear masks at all times.
- **Timetable:** Students will have Self-Enrichment, Sports and Enrichment Cluster sessions.
- **Transport:** The Transport facility will be provided with COVID protocols (temperature check, masks, social distancing). There might be limited stops available and would appreciate your cooperation for the same. The route details will be shared later.
- **Food:** Please ensure to send one snack/fruit box along with a water bottle.

The school is ready with all the safety measures and shall abide by all the SOPs and guidelines laid down by the State Govt authorities. Further safety guidelines will be shared closer to the reopening date for students to follow.

We request you to submit this '**Consent Form**' ([link here](#)) by **6th October 2021** to help the school in planning the further logistics.

This form is **compulsory** to submit, irrespective of whether you are interested or not interested in sending your child to the physical school on this day.

Looking forward to welcoming our students and creating a safe schooling experience for all of us.

Thank you.

Regards,

Mrs. Sutapa Mishra
