Subject: Updates regarding an opportunity to attend Physical School

Dear Parents,

We are happy to announce that we are planning to have an offline school (Physical mode) for a day before Diwali break. The focus of this day will be to encourage interpersonal interactions in person and for students to participate in some co-curricular activities, extra-curricular activities, and Science practical sessions in person.

Please find below the details of the physical school day:

Class 7:

Date: 19.10.2021

Timings: 07:55 am - 01:00 pm

Class 8:

Date: 21.10.2021

Timings: 07:55 am - 01:00 pm

*The detailed schedule will be shared later through GC.

There will be no virtual classes on this day for respective grades. Students who are not opting for physical school on this day will be given async tasks for rigour.

Students will continue to have their virtual classes for the rest of the days.

Please note some important points:

- **Attire:** Students can wear comfortable sports attire. For example, track pants and a T-shirt with shoes. All students will need to wear masks at all times.
- **Timetable:** The students will have Self-Enrichment, Sports and Science Practical sessions for the day.
- **Transport:** The Transport facility will be provided with COVID protocols (temperature check, masks, social distancing). There might be limited stops available and would appreciate your cooperation for the same. The route details will be shared later.
- **Food:** Please ensure to send one snack/fruit box along with a water bottle.

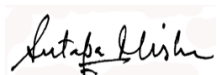

The school is ready with all the safety measures and shall abide by all the SOPs and guidelines laid down by the State Govt authorities. Further safety guidelines will be shared closer to the offline day for students to follow. We also request you to submit this '**Consent Form**' ([link here](#)) by **6th October 2021, Wednesday** to help the school in planning the further logistics.

This form is **compulsory** to submit, irrespective of whether you are interested or not interested in sending your child to a physical school.

Looking forward to welcoming our students and creating a safe schooling experience for all of us.

Thank you.

Regards,

Mrs. Sutapa Mishra
