Subject: Parent Handbook and Parent School Communication Policy for Remote Learning (Year 2021-22)

Dear Parents,

Greetings! We hope that you and your families are doing well.

As we prepare for the Academic Year 2021-22, we are very excited to welcome our new students. Though it will be a virtual welcome, it will have the same passion and warmth for our dear students.

Before we start on this exciting journey of the new academic year through the remote learning model, we would like to share a '**Parent handbook for Remote Learning**' which will provide you with an overview of our remote learning instructional plan and expectations. This handbook also outlines the school's '**Parent-School Communication Policy during Remote Learning**,' which would guide parents to understand and adopt a smooth communication process with the school.

Please click on the links below to access the documents:

You have already been verbally oriented about these aspects; these documents would help you to understand them better. You may continue to visit these documents throughout the year. If you have any questions or suggestions in this regard, you may share those with the counselor or your child's teacher.

We are extremely excited to begin this learning journey with you.

With Warm Regards,

Mrs. Sharmistha Chakraborty
