Date- 19.06.2021

**To:** The Parents (EYP1 to Sr Kg)

**From:** The Principal

**Subject:** Resource list for learning

Dear Parents,

We are happy to have our children back to the class and look forward to a year of learning and collaboration.

For your convenience and better planning and organization of the remote learning sessions, we have compiled a list of **regular stationery** and **Indigenous materials** which a child would require throughout the year for active participation in the learning process. We are also sharing with you a list of recommended **resources** for your reference which are an integral part of a young child's free play opportunities.

We would continue to share the weekly planner with you, which would also mention the details of resources required for specific sessions in each week.

**With Warm Regards,**

*Mrs. Sharmistha Chakraborty*
