Sub.: Annual subscription of a Science Magazine - Engage Learning

Dear Parents,

This is to share the details of a new Science Magazine- Engage Learning created especially for the children of India. It features inspiring stories, brilliant photography and world-class non-fiction content that teaches S.T.E.A.M. (Science, Technology, Engineering, Art, Mathematics), environmental education and social studies, while improving vocabulary.

As our school believes in Inquiry based learning, this magazine will enable the students to broaden their knowledge by providing high quality information.

Engage Learning Magazine is published in 4 reading levels for children from ages 3 to 13:

Reading Level	Recommended Class	Recommended Age
Level 1	Preschool, Junior School to class 1	3 to 6 years
Level 2	Classes 2 & 3	7 & 8 years
Level 3	Classes 4 & 5	9 & 10 years
Level 4	Classes 6 to 8	11 to 13 years

Six issues are published for each level (24 magazines in total) featuring three stories each written by or with scientists and brilliant visuals. These issues are released in the month of July 2017, followed by August, September, November, January, and February. You can view previews of the archives on their website, www.engagelearningmag.com.
