

CIRCULAR FOR PARENTS**Ref No-** Cir/RBS/2018-19/No.108

Date- 24/04/2019

To: Parents (Class 7 to Class 12)**From:** The Principal**Subject:** Choice of Co-curricular activity for Senior School**Dear Parents,**

At Redbricks, we believe in providing a holistic exposure to students across various domains. The performing arts are an important part of our curriculum providing students with opportunities for self-exploration and creative expression.

The school's program is designed to give a broad exposure in the primary years (Class 1 to Class 4), for children to explore their various interests and strengths. As children enter middle school and high school age (Class 5 and above), they are able to identify some specific areas of their interest/ability, in which they would like to further build their skills. Therefore, we introduce an element of choice in middle school for the children to specialize in an area of their own choice and learn some deeper skills. The choice is to be made at the start of the year, and the children will continue in the same group until the end of the year. Every year, the children will be given a chance to make a fresh choice/continue in the old one.

Students studying in Class 7 to Class 12 will have the following five options in Performing Arts. Kindly let us know your preference in order of priority, looking into your child's interest and ability.

| Details | Number of Seats available under each group |
|------------------------|---|
| Vocal Music | 15 |
| Instrumental- Guitar | 15 |
| Instrumental- Keyboard | 20 |
| Dance | 18 |
| Dramatics | 18 |

Note – Please fill all the boxes with a priority number of 1/2/3/4/5. Do not repeat the same number more than once.

Kindly note that there will be a limited capacity for each of these groups based on various considerations. The capacities will undergo revisions every year. Looking into the interest forms we will try and ensure a fair distribution of students amongst the various groups opted for. However, the final decision will be taken by the school on the basis of the child's interest, aptitude and availability of seats.

We request your cooperation in the same. Kindly fill this form by **27th April 2019, Saturday** and submit the same to your ward's Homeroom teacher or School counselor.

With warm regards
