

**Ref No: Cir/RBS-KG/2018-1/No. 12****Date – 06/09/18****To: All Parents****From: The Principal****Subject: Parent Week Circular****Dear Parents,**

Redbricks has always put an extra effort to develop and maintain the connect of parents with the school, which as a result has helped us in building strong foundation for the holistic development of our children and sustainable development of communities at large. A strong school parent connect helps the parents to gain a brief idea of the school activities and teaching methods and extend effective and innovative ways of partnering.

We at every level do efforts to reach our parents whether by doing Home-visits, or by inviting them as resource person. Now we are moving forward with this idea by celebrating '**Parents Week**'.

Redbricks cordially invites the parents to be involved in the class activities during the week. Kindly find below the schedule for the visit and the list of Do's and Dont's for the parent participation.

School will work at regular hours during this week and will follow the curriculum as normal.

**Note: Only one parent will be participating for the Parent week.**

**Class / Section:** \_\_\_\_\_

**Schedule :**

<b>Name of the Child</b>	<b>Date &amp; Day</b>	<b>Session</b>	<b>Time Slot (am)</b>

**Rules and regulations for parents :**
