Dear Parents,

Greetings from Redbricks!

We would like to take this opportunity to inform you that we will be conducting **ASSET exam** in school for the students from Class 3 to Class 10.

Though It is optional for the students of Class 3 and 4 to participate in ASSET, we would strongly recommend for your child to participate as it will enhance his/her vocabulary and learning capacities and will push the student to do more. Please find below a brief introduction to ASSET:-

ASSET stands for Assessment of Scholastic Skills through Educational Testing. It is a scientifically designed, skill-based assessment test. Rather than testing rote learning, through multiple-choice questioning, it focuses on measuring how well SKILLS and CONCEPTS underlying the school syllabus have been learnt by the student. The test provides information on the strengths and weaknesses of individual students and also entire classes.

Features of ASSET

- Skill-based test provides detailed skill-wise feedback highlighting strengths and weaknesses.
- Provides a benchmark of the student's performance with peers all over the country.
- The subjects that the school is opting for students will be **English , Maths and Science**.

Cost to the Parent:

- The Registration fees for ASSET is **Rs.540/-**

The month of the exam will be between December and January. The exact date will be communicated to you well in advance.
