Subject: Expert Workshop on “Comprehensive Sexuality Education” at Redbricks

Dear Parents,

Greetings from Redbricks! To take our vision forward of providing holistic education to our students and to keep you abreast of it, we are pleased to invite you to an expert workshop on **Comprehensive Sexuality Education (CSE) at Redbricks.**

From this academic year, students will be exposed to Comprehensive Sexuality Education (CSE) as a part of their learning at school. The objective of CSE will be to educate children systematically about sexuality for them to become aware and be better prepared to deal with issues related to growing up.

In each grade level, there will be 1 module related to this objective, as a part of the current Self-Enrichment Program. It is important for parents to understand how the school is planning to deal with this sensitive topic in the best interest of students, and therefore this workshop is extremely important for school-home alignment.

Please find the details of the workshop below:

Date : 10th August, 2019, Saturday

Timings: 09:30 am to 11:00 am

Venue: Ahmedabad Management Association (AMA), ATIRA Campus, Vastrapur

Agenda: Orientation on the design of CSE program at Redbricks and tips for Parents

The workshop will be conducted by the expert Ms. Anuja Amin, who is also advising the school in developing the CSE curriculum.

Anuja Amin is a Post-Graduate in Human Resource Management from the London School of Economics. Her mission of reaching out to children, especially with a traumatic childhood, led her to pursue a Bachelors of Science in Psychology from the University of Nottingham. After two years, of managing policy and remuneration as an HR Professional at the Shell headquarters in the Netherlands, Anuja returned to India. Her present focus is on promoting a safe and supportive environment for children by training the community, including students, teachers, parents and organizations, and empowering them to be guardians, ensuring generations of happy children.

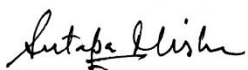

We request you to take your seats 10 minutes prior so that the workshop can start on time.

Note: Case-by-case queries will not be addressed in the large group format. There is no provision to accommodate children in the AMA campus and hence kindly do not bring them for the workshop. Looking in the space availability, we request registration from one parent per student only.

Looking forward to see all the parents there. Kindly send your confirmations latest by 5th August, 2019, Monday.

Thanking You,

With Warm Regards,

**Mrs. Sutapa Mishra
The Principal
