Students will answer in their notebook and upload in their respective subject Google classroom before they leave the meeting.
2. For Gujarati and Hindi, online assessment will be conducted in one part only . The teachers will share the link of the assignment during the UEA in the Google meet chat box. Students are expected to write the answers in their subject notebook and upload the same on the respective Google Classroom.
3. Gujarati oral, to be conducted via respective Google classroom. Students have to submit the same by 15th February 2021.

We trust our students to attempt the UEAs with academic honesty. We suggest that one parent / guardian is available in the background while the child is taking the assessment, but please do not help the child in answering any part of the assessment.

We look forward to a joyful learning experience for the students.

Best regards,
