Subject: Updates on Examination Feedback and Open House(Report Card)

Dear Parents,

As we come towards the end of the Academic Year 2020-2021, we would like to thank you for your support and partnership during this entire year.

With the learning journey of one academic year coming to a conclusion, we believe that a two way feedback is crucial for the student to understand the areas of improvement and move ahead towards a better performance for the future.

Please find below the details of the feedback scheduled for students:

- 1) The feedback will be conducted online as per the regular timetable from **4th March to 10th March 2021**.
- 2) The subject teachers will discuss the question paper along with the model answers. However individual feedback will not be discussed during these sessions.
- 3) The students can go through their answer scripts physically on the Paper Showing Day scheduled on **12th March 2021 between 10:30 am to 12:00 noon** at Satellite campus.
- 4) The paper showing day is completely optional for students.
- 5) The subject teachers will be available during the paper showing to clarify the doubts.
- 6) There wont be any online sessions on this day as per the sync time table for the students of class 10.

Note: Students will have async self study days starting from 15th March 2021 to 27th March 2021. However, the subject teachers will be available online during their respective sessions for any doubt clarification and guidance for the exam preparation.

OPEN HOUSE: It is also important for us to meet and discuss the progress of the child and identify his/her needs towards an encouraging academic goal.

Please save the date for the year end Open House to discuss the End Semester-2 Exam performance:

19th March 2020, Friday

The details of the individual meeting for the open house are as mentioned below:

- Each parent will be given an individual 15 minutes time slot to meet the Homeroom teacher.
- The parents can also meet the subject teachers with prior requests. They can choose the subject/s and place a request for meeting the subject teacher/s. Duration of these meetings will be 10 minutes per subject. These requests can be made by filling the below mentioned google form:

<https://forms.gle/ycPP6s3r1JvAr3ah9>

Please submit your requests latest by 12th March 2021.

- The subject teacher may also choose to reach out to you, if he/she feels the need for any discussion regarding your child's performance.

Please note:

- These meetings will be conducted on a virtual platform.
- The details of the meeting credentials and time slots for meeting the Homeroom teacher and subject teachers will be shared 2-3 days prior to the Parent Teacher Meetings.
- The time slots to meet the subject teachers will be given on a first come first serve basis.
- There will be no change in the time slots provided, hence it is a humble request to avoid requesting for any time alteration in the best interest and convenience of all parents and staff.
- Please adhere to the time slots provided, as delay in joining the meeting would give you less time for having a valuable interaction.

Looking forward to your cooperation and support.
