**To:** All Parents (Class 1 to Class 10 - New Admissions)

**From:** The Principal

**Subject:** Parent and Student Handbook for Remote Learning (Year 2021-22)

Dear Parents,

Greetings! We hope that you and your families are doing well.

As we prepare for the Academic Year 2021-22, we are very excited to welcome our new students. Though it will be a virtual welcome, it will have the same passion and warmth for our dear students.

Before we start on this exciting journey of the new academic year through the remote learning model, we would like to share a '**Parent and Student handbook for Remote Learning**' which will provide you with an overview of our remote learning instructional plan and expectations. This handbook also outlines the school's '**Parent-School Communication Policy during Remote Learning**', which is crucial for parents to review, understand and follow.

Please click on the links below to access the documents:

While this is a lot of information to absorb, we will ensure that parents and students are also oriented verbally about these aspects, and you may keep coming back to these documents through the year.

We are extremely excited to begin this learning journey with you.

Yours Sincerely,

Mrs. Sutapa Mishra  
Principal
