Subject: Interest Form for the ISC Program - Class 11 and Class 12

Dear Parents,

We are proud to see our students preparing with focus and determination for their Class 10 board exams. We look forward to seeing our students continuing their academic journey with Redbricks in their next high school stage i.e. Class 11 and Class 12 (ISC program).

As you may be aware, the school has already seen one batch of ISC students graduate in the past. And now we are well-prepared and ready to groom our next batch of students.

At this stage, we would like to understand your child's and your thoughts on their future career interests and your intention in continuing with the school in Class 11 and Class 12. This information would help us to effectively initiate preparations for the upcoming academic year.

Please fill the interest survey form at the link given below latest by **10th October 2022**:

Please Note:

- This is just an initial interest survey and you can change your choices in the future.
- We also plan to host an "**ISC program orientation**" session for parents in the month of November. Do share your questions/confusions in this form so that we can address them in the session.

Looking forward to continuing our valuable partnership and seeing our students graduate with flying colours as Redbricks School alumni.

Best regards,

Sutapa Mishra

Principal
