It is the time for our students to have a fun learning experience through the exciting outbound adventurous and educational Camp.

In order to give our students a broader exposure and an opportunity to learn self management/ life skills, the camp has been planned in Gujarat for **2 nights and 3 days**. **The camp is planned at Parvati Hills - Mountains and Green Valleys**. The camp will be managed by experts from ANALA Outdoors, apart from our own internal facilitators.

Details of the Camp Site

In an exceptional and tranquil landscape in the Northern part of Gujarat, awaits a place to be explored – Parvati Hills, only 125 km from Ahmedabad. It is located at a height of 200 ft above ground level overlooking 2000 acres of green forests and many villages. Being amidst nature, Parvati hills experience pleasant weather throughout the year. Its incomprehensible expanse of flat land, water-bodies, natural flora and fauna makes it ideal for adventure, leisure and anything that compliments its milieu.

With the availability of elements like archeological ruins, a fine forest with hundreds of birds and animals, and a number of water bodies, Parvati Hills offers a living laboratory to the students.
