With reference to **Circular No. 128** which was shared on 23/11/22, we would like to update you that the camp location has been changed.

The camp is planned at **Jambughoda** for **2 nights and 3 days**. The camp will be managed by experts from PATH ADVENTURE, apart from our own internal facilitators.

Details of the Camp Site

Located 70 km from Vadodara, and 20 km from Champaner, the Jambughoda Wildlife Sanctuary is best combined when visiting these cities. The wildlife sanctuary consists of forested hills with teeming wildlife and avian species. Teak, mahua and bamboo thickets cover the length and breadth of the forest, which is occupied by wild boars, nilgais (blue bull), jackals, hyenas, barking deer, sloth bears, and Chausinghas (four-horned antelope) and leopards. A camping experience in close proximity to the wildlife is the highlight of the forest. The 130.38 sq km sanctuary is a heaven for nature lovers.
