Dear Parents,

With immense pleasure, we would like to share the details about our ISC Program for the coming Academic Year 2023-24.

Over the last few months, we have thoroughly enjoyed our interactions with students and parents as a part of our efforts to design and implement a high quality Class 11 & 12 program that helps students achieve their future aspirations. We are excited to share further details about this program through this factoid document- **ISC Program Factoids for Academic Year 2023-24**: <http://bit.ly/3lb53kF>

We hope that this document answers most of your queries about the program. The new academic session will commence from **mid-April 2023** and we will share further detailed information closer to the starting date. If you have any questions or suggestions in regard to the Factoids shared, kindly seek an appointment with the Academic Coordinator and Principal through the front desk counselor.

We request you to submit the below **Admission Confirmation form (latest by 9<sup>th</sup> February, Thursday)** indicating your confirmation to continue with Redbricks School as well as the stream and subject choices:

Please note that students do have the flexibility to later change their stream and/or subject choices until the starting date of the program in April. However, we request you to arrive at a final decision right now, to enable us to effectively plan teaching and other requirements.

We look forward to continuing to play an important role in building our children's futures.

Best regards,

**Sutapa Mishra**
