Dear Parents,

Greetings! We hope you and your family are settling into the daily routine of the new academic year.

As shared in the school reopening circular, we are excited to implement a new visual art program developed by Art1st based in Mumbai. This will be implemented in Classes 1 and 2 for Academic Year 2022-23, after which it will be extended to later grades in subsequent years. The Art1st program will be integrated alongwith the school's own Art and Design program, to create a careful blend of the two programs.

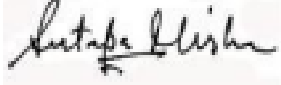

Textbook: We will start the process of sharing the students' copy of the visual art textbook from the 1st week of July. This book will be kept at school and sent home periodically. The cost of these books (~ Rs 550/-) will be deducted against the Imprest charges.

Stationery: Students are required to arrange for the following stationery and bring it to school whenever instructed by the teacher. The following items can be purchased from a store of your choice or can also be reused if they are available at home.
