Dear Parents,

Greetings from Redbricks!

Like previous years, we would like to give our students an opportunity to appear for two low stakes external tests - the ASSET Test conducted by Educational Initiatives and the Olympiads conducted by SOF.

The school requires all students from Class 3 and above to take the ASSET test as it serves as an important tool to gauge the effectiveness of our teaching and identify the learning needs of our students. ASSET test is stress-free, requires no prior preparation from students and uses high quality application based higher-order thinking questions to assess children's deeper learning.

Olympiads are optional and can be taken based on student and parent choice.
