Dear Parents,

Greetings from Redbricks! It was a great opportunity to meet you all during the month of June when we oriented you to the school's curriculum, pedagogy and important policies.

As new members of the Redbricks family, we would like to invite you to visit the Santej school campus to gain some first-hand insights into how students learn. The guided visit will include short classroom observations of some subjects and an overall tour of the campus.

You can choose to attend the visit on any one of the following days:

- **Option 1:** 26th August 2022, Friday
- **Option 2:** 2nd September 2022, Friday

The timings for the campus visit will be **9:00 am to 10:30 am** and parents will need to make their own arrangements to come to the school.

Kindly note that this campus visit is optional. However, we would really encourage you to be a part of this experience.

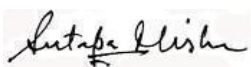

Request you to confirm your presence for this visit by filling the below registration form latest by **24th August, 2022:**
