**To:** Parents (Current EYP Stage 1)

**From:** The Director

**Subject:** School Fees for the Academic Year 2022-23

**Attachment :** Redbricks EYC Fee Structure AY 2022-23

Greetings from Redbricks Early Years Centre.

We hope that children are enjoying the physical learning experience after a long experience with remote learning. We thank you once again for your immense partnership and support during the last two years of the pandemic.

We are hopeful that the coming Academic Year 2022-23 will be the start of an entire back-to-normal education year for our children. We do recognize that the pandemic is not completely behind us, and as a society we need to be prepared for any further pandemic related impact on our lives. However, we do feel that we are stronger and wiser to deal with such disruptions, especially to ensure continuity in children's educational and learning processes.

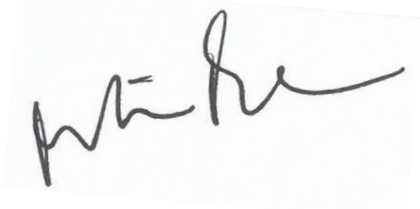

With this circular, we would like to share with you the **Fees Structure for Academic Year 2022-23**. Please find the **Redbricks Early Years Centre Fees Structure 2022-23** attached with this circular for the EYP Stage 2 Fee Structure for AY 2022-23.

- We wish to highlight that the past year has seen cost increases across the board in the economy due to external disruptions, be it the price of fuel, food or consumables, which necessitates increasing fees in order to keep the financials of the school in balance. Keeping in mind our moral commitment to parents, we have ensured that the overall increase in total annual cost to parents is below 10%.
- There is an overall revision of **9.3%** in the Annual Fees of EYP Stage 2 for AY 2022-23, compared to the final declared fees of AY 2021-22. This includes all annually paid components- i.e. *Annual Education Fees and Meal Charges*.

We request all parents to go through the fee structure and other important information carefully. The payment towards 1<sup>st</sup> installment of the fees along with the required PDCs is to be made latest by **30<sup>th</sup> April 2022**, in order to confirm a seat for 2022-23.

Thank you for your support in building this wonderful institution.

Yours Sincerely,

**Milina Bose**

Director
