Subject: Expression of Interest for Jr.FLL

Dear Parents,

Geetings!!

We take this opportunity to introduce you to an external and fair competitive platform identified by the school for our students falling under the age category of 6 to 9 years to participate in the current academic year . You are requested to go through the brief introduction given about **Junior FIRST LEGO League (Jr FLL)** and express your interest for the same by filling and submitting the attached form to the class teacher.

Junior FIRST LEGO League

Jr.FLL captures young children's curiosity and directs it toward discovering the wonders of science and technology. This program features a real-world scientific concept to be explored through research, teamwork, construction, and imagination. Guided by adult Coaches, teams consisting of minimum two and maximum six use LEGO bricks to build a model that moves and develop a *Show Me* Poster to illustrate their journey.

Every year there is a new real life theme for FLL challenge globally and its released in August end. Students needs to work as team on various aspect of Jr. FLL like – “show me” poster and a working LEGO model. This year’s theme is called “**Think Tank**”. Given that the kids participating in Jr.FLL are very young and should not feel the pressure of competition it is made sure that everyone is a winner in Jr.FLL. All the participants are awarded with a trophy and certificate.

Cost to the Parent

- The fees for the competition is Rs.3500/- per team.
- The travelling and accomodation cost is to be borne by the parents.
- A coach for the coaching to be arranged by the parents

The competition is held in **Delhi, Chandigarh, Pune/Mumbai and Bangalore/Chennai every year**. For this year’s challenge it will be in **January 2015 (Date not yet fixed)**.

For additional information kindly log onto

For availing any further information or query for the same , please feel free to contact the School counselor at 9099900080.

The attached form needs to be filled and submitted by 8th December 2014 .

The final students will be selected for the competition at the discretion of the school.

With Warm Regards,

Dr. Gargi Singh
