Date – 10/04/2015

To: All Parents

From: The Principal

Subject: Summer Workshops at Redbricks Satellite Campus

Dear Parents,

We are happy to inform you that this year Redbricks School is playing a host to a series of **Summer Workshops** at Redbricks Satellite Campus.

**Helen O'Grady** : English Speech and Drama Programme – Helen O'Grady program encompasses a huge body of developmental drama activities aimed at increasing the Self - confidence, Self - esteem, Social skills, Presentation skills, Problem solving and verbal skills of all students. Enthusiastic participation is encouraged at all times.

**irobokid** : Irobokid focuses on building fully functional real world models and machines. Kids construct new models each week based on exciting real world themes – Port Terminal or a Factory, etc. It takes learning out of the pages of the textbook and into an imaginative, practical, 3 – dimensional, hands on, fun, learning experience!

**SportyBeans** : SportyBeans Multi-sport skills development programs introduce pre-school and primary school children to the concepts and skills involved in the nine core sports of the SportyBeans curriculum; Soccer, Basketball, Volleyball, Baseball, Golf, Cricket, Tennis and Rugby. The program will enable children to gain confidence and develop the social skills necessary to succeed in sport and life.

**Aaryam** : Art is an open-ended activity that encourages discovery, exploration, experimentation, and invention. Aaryam Art Academy is for the creative and inner-personal development of children. Its aim is to unleash their creative skills while having fun. It is the most exciting time to acquire various skills through fun filled activities. Kids would get an opportunity to learn and enjoy activities like Paper Craft, 3-D models, Clay Modelling, etc.

**Note** : Parents are requested to register their child's name for the workshops as early as possible. Kindly acknowledge the details for the Summer Workshop attached overleaf.

With Warm Regards,

Dr. Gargi Singh

The Principal

Redbricks Primary School
