Subject: Expression of Interest for Spell Bee and National Maths League

Dear Parents,

Greetings !

We take this opportunity to introduce you to the two external competitive platforms identified by the school for our students to participate for the current academic year .

As a parent, you can best judge the readiness and ability of your child to participate in such competitions. You are requested to go through the brief introduction given on both the assessments and express your interest for the same by filling and submitting the attached form to the class teacher.

- **MaRRS International Spelling Bee** - MaRRS Spelling Bee is the largest self-motivated spelling competition in Asia for school children. It helps students to improve their communicative skill by building an enhanced vocabulary, and through proper usage of it. The students go through the various rounds that assess their spelling, pronunciation and word usage skills. Being a self-motivated programme, the students learn on their own, without being compelled to excel. The competition begins at the School Level and then progresses to the International Level through the Inter School, State and National championship. The students should succeed in each level in order to be eligible to participate in the next level.

Cost to the Parent:

- Subscription for registration is Rs. 200 /-
- Additional guide book and study material cost is Rs. 60, which is optional

The proposed date for conducting the Spell Bee competition at School - 15th November 2014

- **MaRRS National Maths League** programme aims at discovering and challenging the mathematical talent of students. The important aspects of math in day to day life are highlighted and children get an exposure to application oriented problems or questions. The competition comprises written round with multiple choice questions in the school level open Championship and National prelims. The National finals will have written and oral rounds.

Cost to the Parent:

- Subscription for Registration is Rs.250 /- (Guide Book is included in the registration fees)
